Dated.....28th September 2021

Dear Sir/Madam,

With the growing penetration of internet and digitalization, ensuring cyber security has become critical. The Ministry of Electronics and Information Technology launched the Cyber Surakshit Bharat Programme on 19th January 2018 and has been organising Deep Dive Training Programmes to orient the government officers responsible towards security of the IT systems, familiarising them with the emerging challenges of cyber security and providing them with key inputs to take informed decision on cyber security related frameworks, policies, technologies and issues.

2. The training is meant for designated Chief Information Security Officers, CTOs and members of Technical /PMU teams, from central and state Government Ministries/Departments and their subordinate offices, and PSU banks and insurance companies. Twenty two batches of training have already been conducted. We are planning to start the next batch of training from 25th October 2021. Due to COVID-19 pandemic, the training will be conducted in online mode. The brochure of the programme is attached herewith.

3. It is, therefore, requested that suitable officers may be nominated for these deep dive training programmes. The nominated officers may please be instructed to register at www.tmis.negd.in. For any further clarification or information, kindly write to us at negdcbpmu@digitalindia.gov.in or parul.singh9@digitalindia.gov.in and ask@meity.gov.in.

With regards,

Yours sincerely,

(Dr. Rajendra Kumar)

Ministry of Electronics and Information Technology
Government of India

BACK GROUND

Digital India is a key initiative for the country. In light of the recent attacks, there is increased focus on cyber safety. Recognizing the need to strengthen the cyber security ecosystem in India, and in alignment with the Honourable Prime Minister's vision for 'Digital India', the Ministry of Electronics and Information Technology (MeitY), launched the Cyber Surakshit Bharat initiative in association with National e-Governance Division (NeGD) and industry partners.

OBJECTIVES OF THE TRAINING

The purpose of the program is to spread awareness, build capacity as well as enable government departments on steps that need to be taken to create a Cyber Resilient IT set up.

TARGET AUDIENCES

Officers of following profile from Central and State/UT Governments and subordinate agencies/PSUs, including public sector Banks and Insurance companies, technical wings of police and security forces:

1. Designated Chief Information Security Officers (CISOs).
2. CTOs and Member of Technical /PMU teams, Officers responsible to observe security of the IT systems in their respective organizations

BATCH SIZE - MAXIMUM 50 PARTICIPANTS

PROGRAMME OBJECTIVE

The objective of the programme is to educate & enable the Chief Information Security Officers (CISO) & broader IT community to address the challenges of cyber security.

- Create awareness on the emerging landscape of cyber threats
- Provide in-depth understanding on key activities, new initiatives, challenges and related solutions
- Applicable frameworks, guidelines & policies related to the subject
- Share best practices to learn from success & failures
- Provide key inputs to take informed decision on Cyber Security related issues in their respective functional area

COURSE OVERVIEW
