This email is to apprise you that the next (physical) CISO Deep Dive Training Programme is scheduled for 24th-28th July, 2023 at Bhoval. Madhva Pradesh. Please note that this program is only for the relevant officials from the State department only and for new participants who have not attended the program in the past. A nomination letter from the department is a must. It is requested you to kindly share this information with CISOs/Deputy CISOs in your respective organizations.

The program objectives, target audience, course overview, and nomination process are mentioned in the attached brochure. We look forward to receiving nominations from your esteemed organizations at the earliest. Registration Link - www.tmis.negd.in

Kindly feel free to ask for any further details/queries in this regard at negdcb@digitalindia.gov.in

Best regards,

NeGD Capacity Building Team, National e-Governance Division, Ministry of Electronics and Information Technology, Electronics Niketan, 6, CGO Complex, Lodhi Road, New Delhi - 110003

410712023 AROGE/18A

BACK GROUND

Digital India is a key initiative for the country. In light of the recent attacks, there is increased focus on cyber safety. Recognizing the need to strengthen the cyber security ecosystem in India, and in alignment with the Honourable Prime Minister's vision for a 'Digital India', the Ministry of Electronics and Information Technology (MeitY), launched the Cyber Surakshit Bharat initiative in association with National e-Governance Division (NeGD) and industry partners.

CHIEF INFORMATION SECURITY OFFICERS (CISOs) DEEP DIVE TRAINING

The purpose of the programme is to spread awareness, build capacity as well as enable government departments on steps that need to be taken to create a cyber resilient IT set up.

TARGET AUDIENCES

Officers of following profile from Central and State/UT Governments and subordinate agencies/PSUs, including public sector banks and insurance companies, technical wings of police and security forces:

- 1. Designated Chief Information Security Officers (CISOs)
- 2. CTOs and member of technical/PMU teams, officers responsible to observe security of the IT systems in their respective organizations

BATCH SIZE - MAXIMUM 35 PARTICIPANTS

The objective of the programme is to educate & enable the Chief Information Security Officers (CISO) & broader IT community to address the challenges of cyber security:

- Create awareness on the emerging landscape of cyber threats.
- Provide in-depth understanding on key activities, new initiatives, challenges and related solutions.
- · Applicable frameworks, guidelines & policies related to the subject.
- Share best practices to learn from successes & failures.
- Provide key inputs to take informed decision on cyber security related issues in their espective functional areas.

The 5 days regional training programme will cover the following areas in detail;

Darknet and darkweb

D-DOS attack, service disruption

Advanced Persistent Threats (APTs)

Common attack techniques (OS Vulnerabilities)

Data Classification and leveling

Vulnerability Assessment & Penetration Testing (VAPT)

Active testing, Black hat testing

Cryptography and PKI, Digital Signature

e-Sign Architecture, Flow and Usecase

Load Balancing and Secure Network Architecting

BCP/DR, Methods to contain attacks and ensure high availability

Autheritication Protocols

Social media management

Creating security baselines (Network Protocol Vulnerabilities)

Data Protection

Log management, tracing, tracking and analysis

Cyber Forensic and Cyber Resilience

Cloud Virtualization and Virtualization Security

Security at Hosting Infrastructure - Cloud

Incident Handling Mechanism and Response System

Emerging technology - Opportunities and Threats

Interested candidates may apply online through www.tmis.negd.in portal. Only online nominations will be entertained. The confirmation of participation and details of venue/ change in date, if any, will only be communicated to the registered email ID. Please ensure online registration using official and active email ID.

Those who have already attended the previous training programmes shall not be nominated.

Cut off date for nominations: 10 days before the commencement of the respective programme.

STEPS TO FOLLOW:

- To register for the programme please create your login on TMIS portal (preferably, using official email ID).
- Complete your profile once your login is created.
- Register for specific programme by clicking on the link.
- Considering the limited batchsize, please note that only short listed applications will be communicated with confirmation of their participation in the programme. Those who do not get the confirmation mail and invitation to attend the programme, may reapply for the next respective programme.
